

# St Joseph's Primary Schofields Newsletter

Term 3 Week 2 2020

## Principal's Message

Dear Parents,

By now you would have been hearing many stories from the kids about the wonderful classrooms for K,1,3, 5 and 6 and play spaces for all the children. I know the teachers have been sharing lots of photos on SeeSaw for you to see.

Each classroom and the outdoor spaces have been designed for the kids to actively learn. In this Newsletter, we highlight the play spaces that Kinder and Year 1 can access and in future Newsletters we will highlight the other spaces.

Our new spaces have been blessed by Fr Oliver and indeed we have been blessed to have our new buildings. Along with the news of the new buildings, comes the news that we now have a crossing supervisor approved. If you know of anyone who may be interested in this position please encourage them to apply.

Kind Regards,

**Lesley Studans**  
**Principal**

## Assistant Principal

**Every day counts for our students and every minute missed of learning adds up.** Keep up the attendance (if there are no flu-like symptoms) and remember that if you have any concerns to speak to either Mrs Bourke or Mrs Delvecchio.

It is not only important that your child attends school each day but that they arrive at school on time.

Please make allowances for traffic and parking as these often cause delays.

If your child is away from school, it is important that you provide the classroom teacher with a note outlining the reason that your child was away within 7 days. The teachers are required to mark on the roll the reason for the student's absence. If no note is given, then no explanation can be provided for the absence. If you would like to send an electronic message about absences, we ask that you do not send it through SeeSaw but use the Skoolbag app instead.

**Mrs Joanna Delvecchio**  
**Assistant Principal**

## Coronavirus News

As Coronavirus is still unfortunately persisting in NSW, particularly in western Sydney, our social distancing and hygiene measures will continue to ensure the health and safety of all. These are:

- Parents not on site yet (But we will try to include you with the progress of learning and play in the new spaces via the Newsletter, Facebook and SeeSaw).
- Prospective parents will shortly be invited to an open day on a weekend which will have a tour of one family group at a time.
- Minimal visitors to the site and for minimal time (for example school photos). CEDP employees who are visitors are allowed on site at this time where it enhances the learning of the children (e.g. dance lessons for Year 4 and Year 1, professional learning for teachers.)
- Teachers are required to socially distance, as are parents waiting to pick up their children in the afternoon. We have created 2 staffrooms so that this is able to happen for teachers.
- Enhanced cleaning, availability and use of soap and hand sanitisers for all. Increased supervision of children eating to ensure hands are washed and outdoor and indoor spaces are kept clean.
- Extra assistance with drop off and pickup by the teachers - capacity for 3 cars at a time in the bus bay in the morning. More teachers in the afternoon to speed up rolling pickup. In the morning, please give plenty of time. Supervision starts from 8am. In the afternoon please don't arrive too early for rolling pickup as this makes a queue form that can block our neighbours or cause a traffic jam on Alex Avenue. The time taken to get the kids through the gate is not affected by the length of the queue and I'm sure you've noticed the friendly reception from the teachers in the morning or afternoon. When our new crossing supervisor begins this will help with afternoon pickup and morning drop off.
- Teachers are asked not to attend school if they are unwell and this is the same for children. We are adjusting to the extra absences that this means. If at all possible, class teachers are replaced by casual teachers known to the children. Both children and teachers are asked to get tested for coronavirus if they show symptoms and to follow NSW health guidelines if they have visited a hotspot at the time when it was infectious.

## Absentee Photo Day

A catch-up photo day will be held on Tuesday, 4 August for those students who missed the previous photo day.
